## APPLICATION

for \_\_\_\_\_ **Individual study plan** \_\_\_\_\_

reason:

***I had a very stressfull year with many personal problems and for this reason I was not able to fulfill the required study obligations. I had to be some time with my family and put myself in order. But I want to continue studying, so I ask for an individual study plan when I wish to study the 2nd year from beginning and I will pay the tuition fee for it in the whole amount.***
