**Dean's Directive,**

**Issuing the Dean's Order No. 4/2021, which regulates the obligation to wear FFP2 class respirators in the premises of the Third Faculty of Medicine, Charles University**

**Article 1**

1. Due to the deteriorating epidemiological situation and the significantly increased risk of infection with a new coronavirus mutation even during a short meeting with another person, I order with effect from 1 March 2021 to all employees, students or any natural person (especially suppliers or faculty visitors) in the interior of the faculty, wear properly fitted respirators of the FFP2 class in all interiors of the faculty for the entire period of their stay in the building.
2. The directive pursuant to the preceding paragraph shall not apply to situations where the person is alone in a closed room.

**Article 2**

1. This Dean's directive comes into effect on 26 February 2021 and is valid until further notice.
2. This Dean's directive will be published in VNS and on the faculty website.
