RECOGNITION OF VOLUNTEER ACTIVITIES IN THE CURRENT EXTRAORDINARY SITUATION FOR THE ICM I and ICM II PRACTICES

Students of General Medicine who took part in volunteer activities can get these activities recognized as meeting the credit requirements for the given subjects:

- Introduction to Clinical Medicine I placement
- Introduction to Clinical Medicine II placement

**The same activity can not be used to meet requirements for both practices.**

Requirements for credit:

2. Submitting/uploading the report of max.500 words describing student’s volunteer activity in community, healthcare or welfare facility or any other volunteer activity throughout the Czech Republic or other student’s home country.
3. Positive evaluation by the contact person indicated in the application for individual practice.
4. **Declaration** about volunteer activity (see a sample in attachment), inserted into the electronic application.
