**ESSEX INTERNATIONAL VISITING FELLOWSHIP**

University of Essex

We are looking for high performing, established academics to join our prestigious and highly-competitive Essex International Visiting Fellowships programme.

This flagship programme provides support for outstanding researchers to undertake research at the University of Essex, which is of major importance in its field and of significant benefit to Essex’s research.

The programme provides a competitive platform to:

- champion Essex as a centre of scholarly excellence at an international level
- raise the profile of the multi-disciplinary research community at Essex
- engage with external experts
- enrich the research and training environment for early career postgraduate and post-doctoral scholars at Essex

**Programme components**

The Essex International Visiting Fellowship programme has two components:

- **Short-Stay Visiting Fellow** – for scholars to spend a maximum of two weeks at Essex
  
  **Call 2 2017/18**  
  For visiting Fellowships between January-April 2018 Deadline: 30 November 2017

  **Call 3 2017/18**  
  For visiting Fellowships between May-August 2018 Deadline: 31 March 2018

- **University Visiting Fellow** – for leading, international senior academics to spend up to ten months at Essex
  
  **Extended visiting Fellowships starting in September 2018** Deadline: 31 March 2018

The University of Essex will provide International Visiting Fellows with:

- return economy airfare to/from a nominated airport
- accommodation in a University owned property or a suitable alternative
Eligibility
Essex International Visiting Fellowships are open to all academics, based outside the United Kingdom, who have a sustained track record of significant output, as demonstrated in peer-reviewed literature, and a strong commitment to quality research outputs as judged relative to opportunity.

23RD WORLD CHAMPIONSHIP OF FOOTBALL OF PRACTITIONERS – REPRESENTED BY MUDr. VLADIMÍR TEPPLAN

At the beginning of July 2017, the 23rd World Championship of Football of Practitioners took place in Leogang, Austria. The Czechs took part for the fifth round and during the last 3 years they have celebrated the title of world champions. The team is composed of doctors of various specialties from the whole Czech Republic. The permanent member of the team is MUDr. Vladimír Teplan, Ph.D., who works as a lecturer at the Surgical Clinic of the 3rd Faculty of Medicine.

This year the championship was attended by 20 countries from all over the world, the team of the Czech Republic on the way to the defense of the title played 6 matches, in the finals beat the Ukrainian team unambiguously 3: 0.

In parallel with the football tournament there was the medical symposium in the field of sports and accident medicine, so the whole event was not only at high sport level but also professional.

Due to repeated successes, the Czech Republic will organize the Championship in 2018. It will take place on 30.6.-7.7. 2018 in Prague on Strahov stadion.
